

A close-up, high-angle photograph of a metal chain conveyor belt. The chain consists of numerous interlocking links, each with a rounded, cylindrical shape. The links are arranged in a dense, repeating pattern that recedes into the distance, creating a strong sense of depth and texture. The lighting is bright and even, highlighting the metallic sheen and the precise engineering of the chain. The background is a plain, light-colored surface, which makes the dark metal chain stand out prominently.
